

Student Information Sheet

Course: ECE 382V- QUANTUM COMP SYS SW/ARCH PERSP

Term: Fall 2023

Instructor: Poulami Das

Please make a copy, fill out, and submit this form with a photograph (preferred) by August 24th

Email address where you can be reached at:

sayams@utexas.edu

Why are you enrolled in this course?

To gain a more structured understanding of the topics in quantum architecture

What do you expect to learn from this course?

The big picture of quantum architecture and topics like QEC, magic state distillation, implementations in the NISQ/FTQC regime

What are your education goals beyond the current degree you are working toward?

Making a useful impact to society

What are your career objectives as far as you know right now?

Being involved with research - either academia or a research lab

Any comments that you would like to make (about anything!):
